Instruction manual

Warranty

2 years (machine)), 10 years (motor)
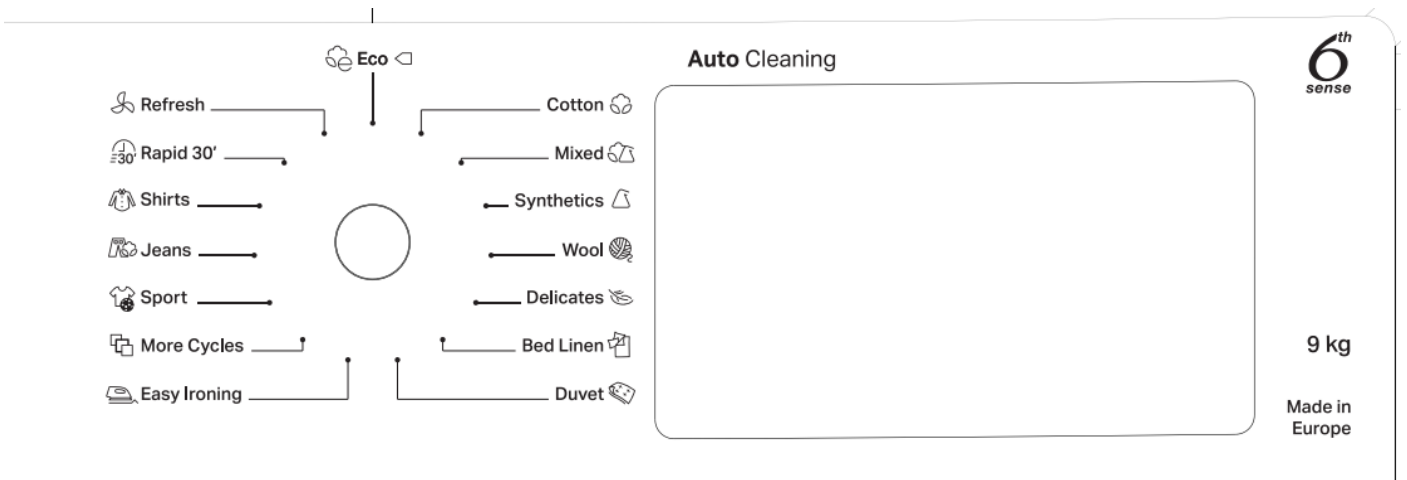

*Warranty only applicable to domestic use only

Features & Benefits

<Auto Clean Technology>
Whirlpool proprietary technology has an exclusive *PATENTED LINT FILTER design before the evaporator which forms an additional protection of the condenser, prevents lint accumulation over the condenser and in general across the whole system. .

<Duo Filter>
The DuoFilter is a two-in-one filtration system that creates a barrier for the 99% of lint collected during the drying cycle.

<3Dry Technology>
Powerful and delicate Efficient drying technology combined with homogeneous and precise drying results on all type of clothes.

<Refresh>
Forget about bad odours, thanks to short Refresh cycle

<Freshcare+>
Keeps clothes soft and fresh up to 6 hours after the cycle is complete protecting them from odours and creasing

<Softmove>
Customized drum movement for a tailored care of your garments
