- Multi-Cook

Air Fry

NEW

6TH SENSE TECHNOLOGY

Intelligent sensors with step-by-step guidance to master any recipe with up to 60 cooking combinations.

COOK 4

Flexibility to cook up to 4 dishes at the same time without flavours or aroma mixing.

PYROLYTIC CLEANING

High-temperature cycle to burn food residues into ashes, which can then be easily wiped away with a sponge.

READY2COOK

Uses a powerful convection system that allows to quickly reach the desired temperature without pre-heating the oven.

ASSISTED DISPLAY

Your personal cooking assistant: guides you step by step for effortless cooking.

Precision Steam

Catering to Everyone's Needs

Pure SteamSense+

100% steam cooking: Preserving the food's natural nutritional value

Assisted SteamSense

Combining steam with heat elements for homogenous results, with less oil or fat than conventional cooking methods

Gentle Steam

Triple the flavor: Retains juiciness in food and gives a crispy exterior

Built-in Combi Steam Ovens

73L 6TH SENSE Oven with Pure SteamSense+

Discover energy-efficient performance with

Built-in Induction Hobs

Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

The Benefits of Induction Technology

Cooler Kitchen
Less heat dissipation

Time-efficient
Faster food preparation

Safer
No flames or ignition

Easy-to-Clean
Smooth & flat surface

Cost-effective
Reduced energy consumption

6TH SENSE Functions

Easily achieve perfect cooking results with 6TH SENSE Functions that offers 4 unique pre-set heat level functions.

FlexiCook

Combine two zones with the same heat level across in a single flexible area.

Power Management

Adjustable power level to match your cooking needs

Design & Intuitive Control

Dedicated sliders offering clearly mapped zones

Seamless Installation

Easily install your hob with minimal gap structure and worktop thickness with no extra space needed for front ventilation.

30cm 2 Zone Built-in Induction Hob

WSQ0530NEP

W x H x D | 284 x 54 x 510mm

W x H x D | 910 x 1875 x 710mm

- 6TH SENSE Fresh Lock
- 6TH SENSE Freeze Lock
- Flexi Freeze
- Zen Inverter Technology
- Total No Frost
- Fast Freezing

Soft Freeze

Allows you to cook food directly from the freezer to the pan, skipping the defrosting process for frozen items you plan to eat within a week.

Fast Freezing

The Fast Freezing option quickly lowers the temperature with a blast of cold air, helping preserve the freshness and quality of your frozen dishes.

Zen Inverter Technology

The compressor adjusts its operation to deliver faster cooling while saving energy, thus, reducing noise compared to traditional on-off compressors.
