W x H x D | 560 x 595 x 570mm

- Forced Air
- Smart Clean
- Multi-Cook

6TH SENSE TECHNOLOGY

Intelligent sensors with step-by-step guidance to master any recipe with up to 60 cooking combinations.

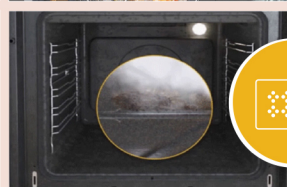

COOK 4

Flexibility to cook up to 4 dishes at the same time without flavours or aroma mixing.

MULTISENSE PROBE

The self-supporting probe is easy to position, even in fluids and monitors the food temperature in 4 points for perfect homogeneous cooking.

PYROLYTIC CLEANING

High-temperature cycle to burn food residues into ashes, which can then be easily wiped away with a sponge.

READY2COOK

Uses a powerful convection system that allows to quickly reach the desired temperature without pre-heating the oven.

ASSISTED DISPLAY

Your personal cooking assistant: guides you step by step for effortless cooking.

PRECISION STEAM. PRESERVE THE GOODNESS.

Precision steam gently cooks food to help retain nutrients, moisture and natural flavour for wholesome, delicious meals.

PURE STEAMSENSE+

100% steam cooking: Preserving the food's natural nutritional value

ASSISTED STEAMSENSE

Combining steam with heat elements for homogenous results, with less oil or fat than conventional cooking methods

GENTLE STEAM

Triple the flavor: Retains juiciness in food and gives a crispy exterior

Built-in 73L 6TH SENSE Oven with Pure SteamSense+

- Child Lock
- 12 Automatic Menus

QUARTZ GRILL

Heats in 60 seconds, cooks 3x faster, and uses less energy. Completely self-cleaning.

JET START

Heats to maximum power in 30 seconds for swift, optimally warmed soups and drinks.

DOUGH RISING FUNCTION

Maxi Chef maintains a steady 30 degrees environment for effortless, perfect proofing of pastries and breads.

YOGURT FUNCTION

Homemade yogurt can be made with ease by using the Yogurt function with a press of a button.

INSPIRED BY NATURE, BUILT FOR MODERN LIVING.

Versatile cooking made easy. Steam, air fry, bake, grill and microwave in one appliance. For everyday meals the whole family will love.

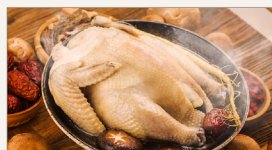

8-in-1 Multifunctionality

Microwave, Pure steam, Grill, Bake, Convection, Air fry & more. Endless cooking possibilities in one appliance.

Air Fry Function

Crispy dishes with less oil - Air Fry is your healthier hassle-free alternative.

Advanced 90-Min Steaming

Cook for up to 90 minutes at a constant 100°C with no need for water refills mid-cooking.

Precise Cooking

Set separate grill temperatures for customized cooking giving you precise control for every recipe.

Speed Cook Functions

cooking methods incorporate with microwave to speed up cooking time up to 30%.

Zen Inverter Technology

Experience more efficient cooking with evenly distributed heat, ensuring perfect results every time.

PRECISION HEAT. TOTAL CONTROL.

Whirlpool induction technology delivers fast, responsive heat with flexible cooking zones and intelligent power control for confident everyday cooking.

The Benefits of Induction Technology

Cooler Kitchen
Less heat dissipation

Time-efficient
Faster food preparation

Safer
No flames or ignition

Easy-to-Clean
Smooth & flat surface

Cost-effective
Reduced energy consumption

6TH SENSE Functions

Easily achieve perfect cooking results with 6TH SENSE Functions that offers 4 unique pre-set heat level functions.

FlexiCook

Combine two zones with the same heat level across in a single flexible area.

Power Management

Adjustable power level to match your cooking needs

Design & Intuitive Control

Dedicated sliders offering clearly mapped zones

Seamless Installation

Easily install your hob with minimal gap structure and worktop thickness with no extra space needed for front ventilation.
