Local Warranty	
Standard 2 Years (Machine), 10 Years (Motor).	

¹Depth includes door & buttons.²Tested by an external 3rd party lab on Escherichia coli, Staphylococcus aureus.³Based on a 1kg load of synthetic fabrics. Results may vary by fabric type.

Key Features & Benefits

	<Pod Pro Technology> Engineered with a dedicated pod compartment to fully dissolve every pod from the start of the cycle. You get the maximum cleaning power of your detergent for a deeper, more effective clean—every single time.
	<Hybrid Steam w/Oxycare> The unique powerful combination of Steam + Oxygen to eliminate 99.99% ² of bacteria and allergens. Steam softens & kills bacteria, Oxycare treatment then penetrates to disinfect, leaving no chemical residues.
	<HydroPro Motion Wash> Powered by the ZEN Direct Drive inverter, HydroPro intuitively orchestrates 7 dynamic motion wash patterns to deliver precise cleaning for an uncompromising effective wash.
	<Freshen laundry up to 12 hours> FreshCare+ ensures laundry stays fresh inside the machine for up to 12 hours. By gently massaging the laundry with bio-directional oscillations alternated with steam jets. Allowing air to circulate inside the fibers to prevent bad odours.
	<Clean, dry, and ready. All in one hour> Automatically complete a full wash and dry cycle within 60 minutes for a small load. ³ Simply select the Wash & Dry 60' program to get fresh and clean laundry effortlessly.
