FreshCare+	Yes
Push to Open Door	Yes
Auto Door Open	Yes
Drum Light	Yes
Safety Feature	Child Lock, Door Lock.
Others	Removal up to 99.9% ² bacteria and allergens
Performance Ratings	
Energy Rating ^{Washer}	HK Grade 1 (TBC)
Energy Rating ^{Dryer}	SG WELS 5 Ticks (TBC)
Water Rating	SG MEPS 5 Ticks (TBC)
Accessories	
Instruction manual, U-shape holder, UK inlet hose with adapter, Direct drain hose	

Key Features & Benefits

	<One solution for all laundry needs> Meet the new Laundry Tower: a unibody infinity design masterpiece. This all-in-one solution delivers absolute precision for every load, transforming your laundry routine into a seamless experience.
	<One UI Touch w/SmartLink> Experience effortless control over your laundry with the One UI touch interface. SmartLink technology seamlessly synchronizes settings between your washer and dryer, optimizing every cycle to save you valuable time.
	<Hybrid Steam w/OxyCare> The unique powerful combination of Steam + Oxygen to eliminate 99.99% ² of bacteria and allergens. Steam softens & kills bacteria. OxyCare treatment then penetrates to disinfect, leaving no chemical residues.
	<Freshen laundry up to 12 hours> FreshCare+ ensures laundry stays fresh inside the machine for up to 12 hours. By gently massaging the laundry with bio-directional oscillations alternated with steam jets. Allowing air to circulate inside the fibers to prevent bad odours.
	<No more manual filling hassle > Load & Go auto-dosing technology intelligently detects the weight of each load and dispenses the perfect detergent dose required, saving you time with every wash.

All specifications may change prior to any notice. Features and programmes may vary by market.

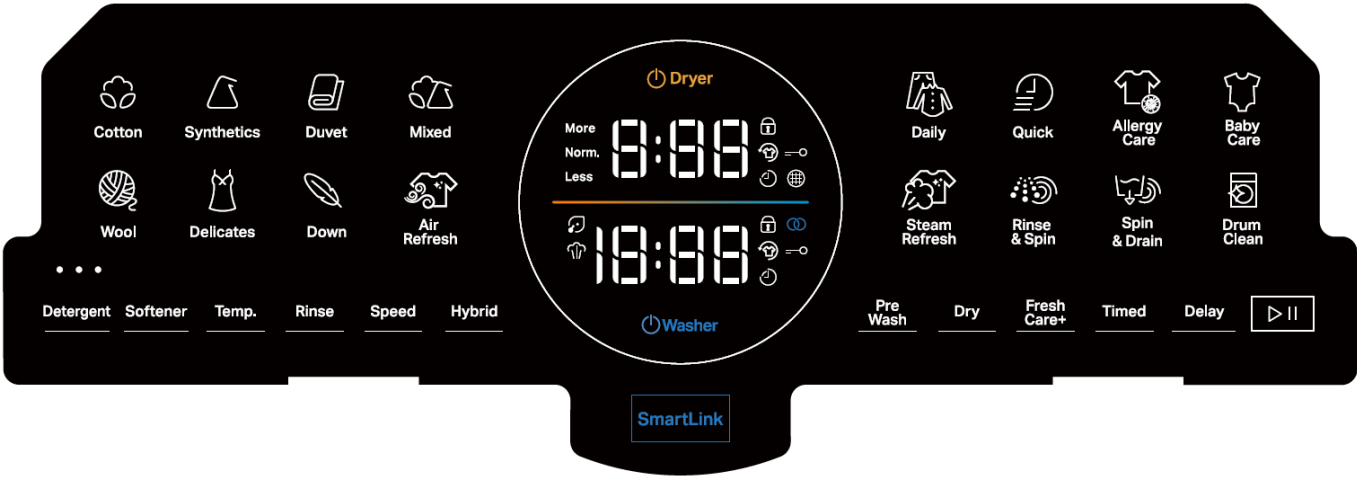

¹Depth includes door & buttons.

²Tested by an external 3rd party lab on Escherichia coli, Staphylococcus aureus.
